

Kids' Territory StoryWalk® in Seneca Falls

This project is a fun community partnership between the Seneca Falls Library and Seneca Falls Parks & Recreation. It combines the benefits of physical activity, time outdoors in nature, literacy, and family time!

It's easy! There will be three stories featured throughout the summer and fall. Follow the numbered signposts along the way and enjoy the story with friends and family. The signs are double-sided so be sure to read the story pages on BOTH sides! You'll begin and end in the Jerry Galusha Playground. After you experience the Story Walk please visit our Facebook Page (Seneca Falls Library) with any comments or suggestions.
